# BLM SEEKS PUBLIC INPUT

## ON MANAGEMENT PLAN FOR

# KING RANGE

## NATIONAL CONSERVATION AREA

### (THE "LOST COAST")

Help the U.S. Bureau of Land Management (BLM) update the Management Plan for the King Range National Conservation Area (KRNCA). Extending 35 miles between the mouth of the Mattole River and the Sinkyone Wilderness State Park, the King Range National Conservation Area's rugged coastline, soaring cliffs and 63,000 acres of lush forests represent a rare back-country coastal environment – one of the last in the nation. This plan will direct management of the area for at least the next 20 years, and your ideas are key to shaping this future vision.

Help us kick off the planning process by attending one of our public scoping meetings. This first series of meetings will focus on developing a long-term vision for the future of the King Range NCA, as well as identify the spectrum of goals, concerns, ideas, problems and potential solutions that our communities may have.

Please choose the meeting time and place that's most convenient for you. To learn more about the plan or provide additional input, please call (707) 825-2368, or visit our website at [www.ca.blm.gov/arcata/king\\_range.html](http://www.ca.blm.gov/arcata/king_range.html)

# THE PLANNING PROCESS BEGINS WITH YOU!

**Wednesday**  
**November 6th, 6-8 PM**  
**Veterans Memorial Building**
